1850 Lewis Ave, North Chicago

How are your Property Taxes used?

What are property taxes?

The tax is usually based on the value of the owned property, including the land.

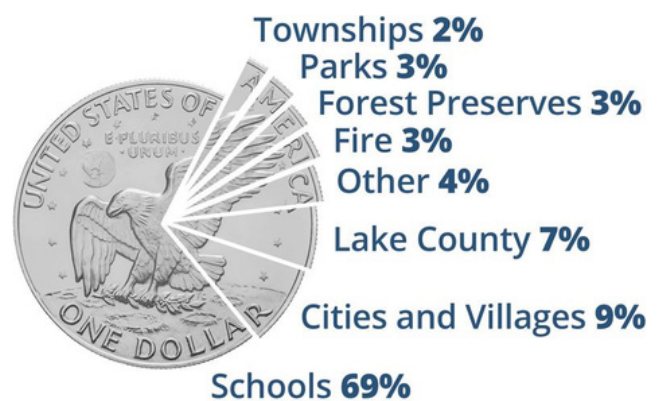

Who pays property taxes?

Property taxes are paid by home or business owners. Owners can pass the cost to renters.

How are property taxes used?

Property taxes go to support local government services such as road repairs, snow plowing, village beautification, local parks, economic development, and more.

How are your Property Taxes distributed?

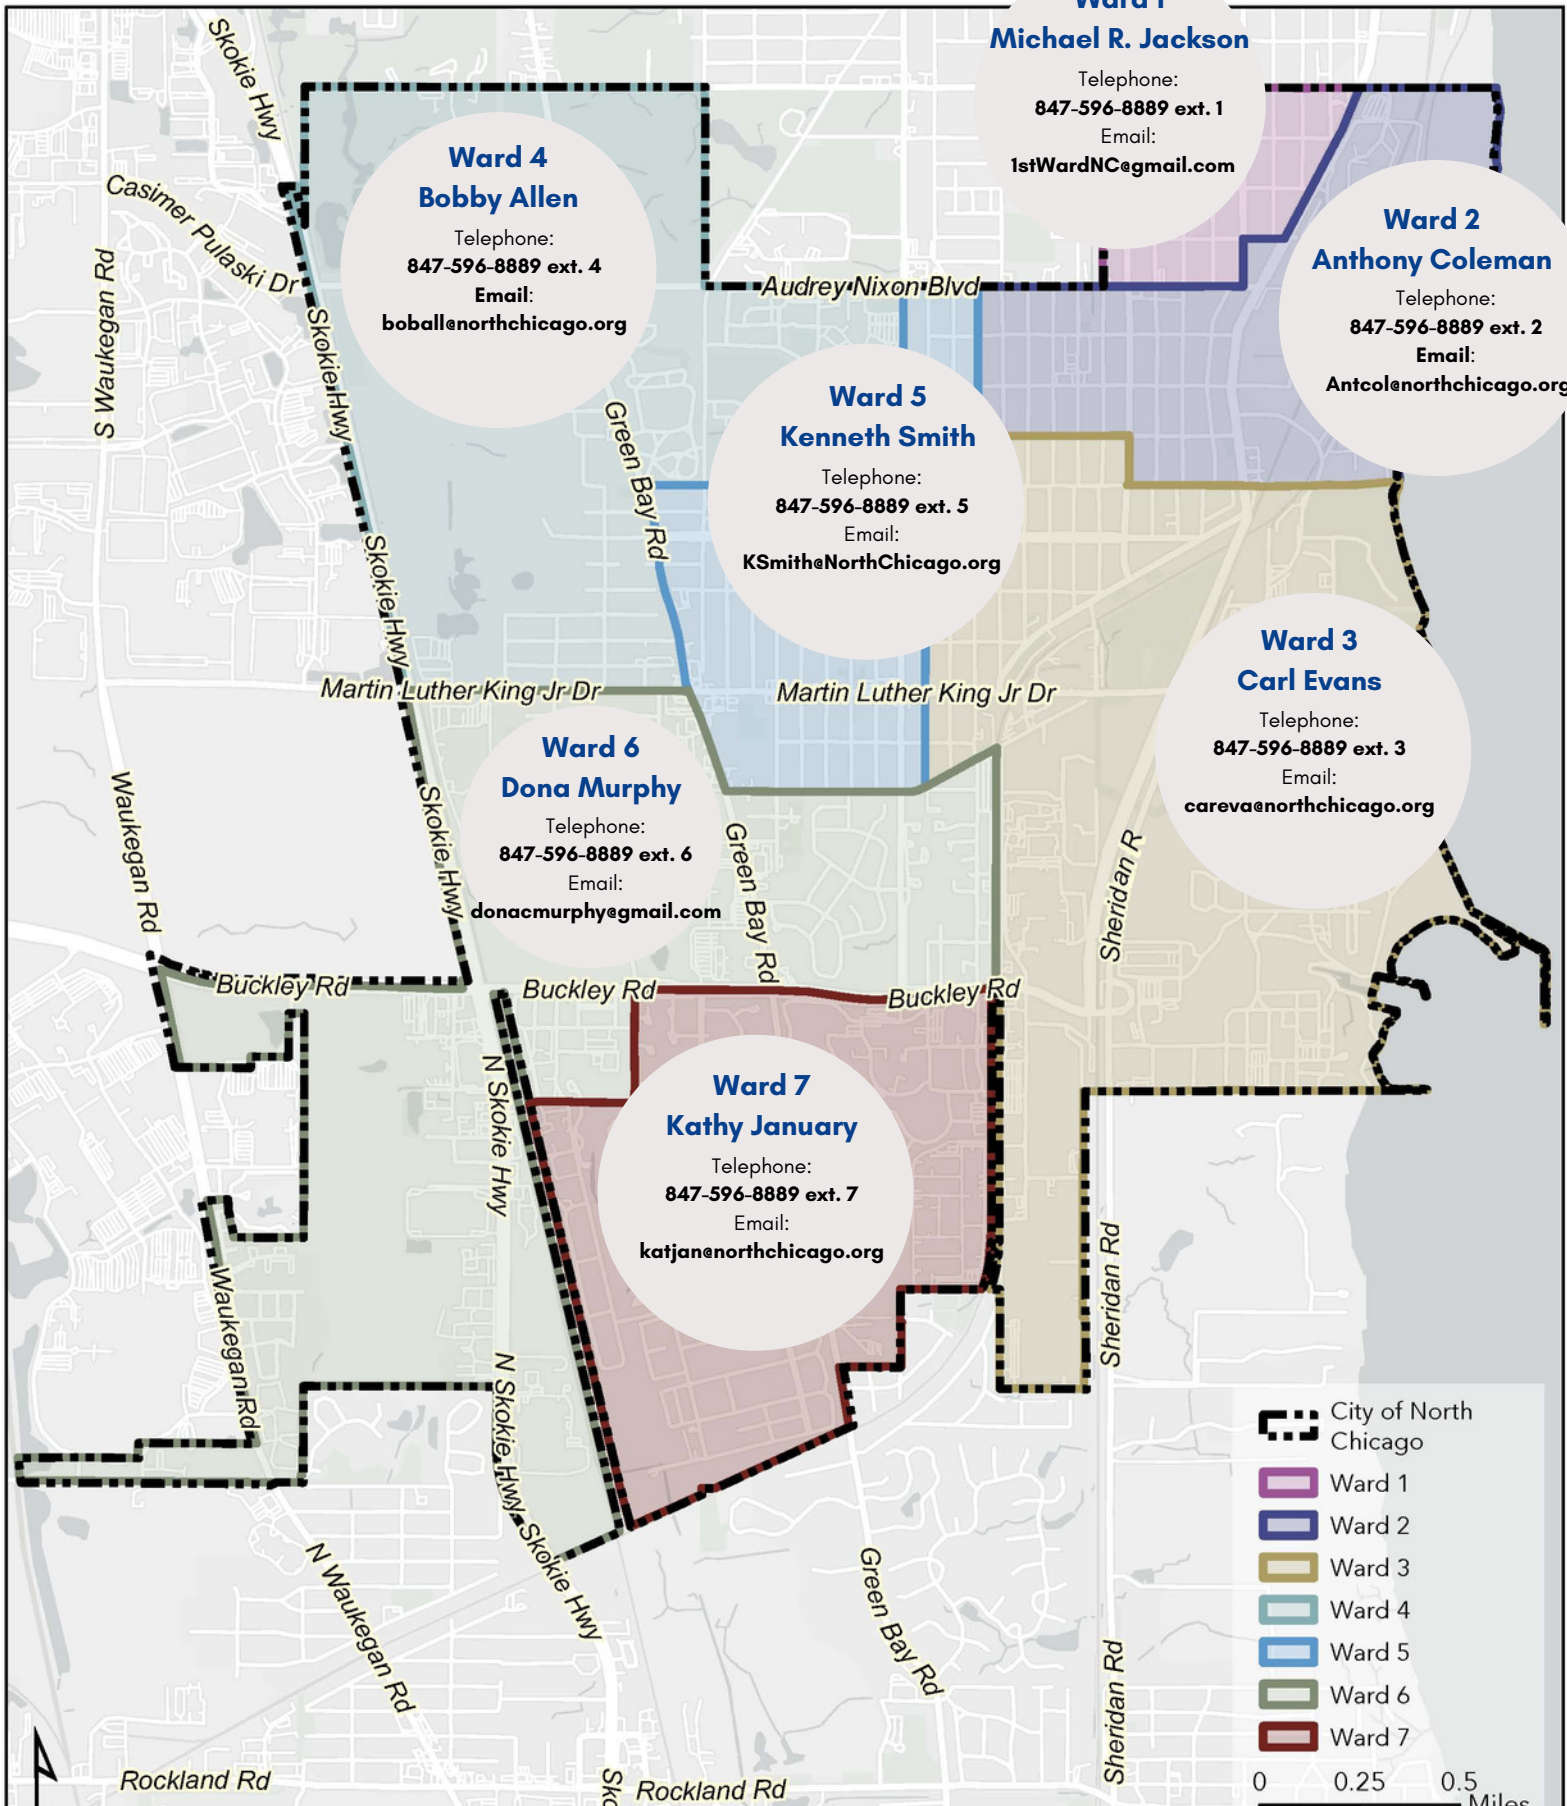

You have a right to be involved in local government, you are funding it.
